Ser 470/2680

26 APR 1989

Dr. Edward W. Cake  
Gulf Esturine Association  
P.O. Box 176  
Ocean Springs, MS 39564

Dear Dr. Cake:

A Technical Review Committee (TRC) has been organized for the Naval Construction Battalion Center (CBC), Gulfport, MS. The purpose of the TRC is to assist with the implementation of the Department of Defense (DOD) Installation Restoration Program (IRP). The IRP investigates old waste dumps located on defense installations such as CBC Gulfport and provides funds to clean up these sites, if necessary.

We are extending an invitation to you to serve as the Member At Large of the CBC Gulfport TRC. The TRC includes representatives from the Environmental Protection Agency, Mississippi Department of Natural Resources, the local community and the Navy.

Enclosure (1) is the minutes of the March 2, 1989 meeting, and explains the need for the committee and its responsibilities.

Enclosure (2) is the proposed charter for the committee. It is requested that you review enclosure (2) and forward any comments you have to us. If the charter is approved by all members, it will be returned to you requesting your signature.

The next meeting will be held in July. As soon as the date is finalized, we will call you. If you have any questions concerning the TRC or the Navy Installation Restoration Program, please call Mr. Tom Sarros at (601) 865-2484.

Sincerely,

G. H. HORMAN  
Planning Officer  
By direction of  
the Commanding Officer
